

# COVID-19

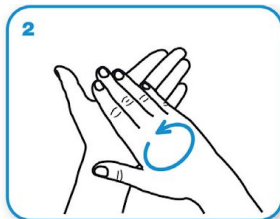

Sorridere per essere seri

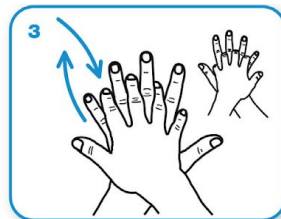

Sta cosa di  
stare lontani

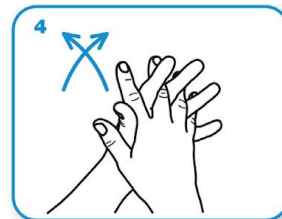

di non  
abbracciarci

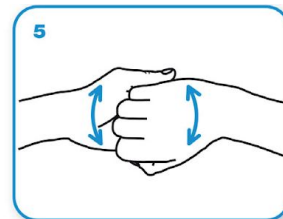

mi secca un  
po'.

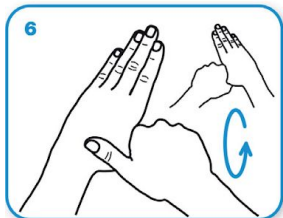

Vorrei andare  
a trovare

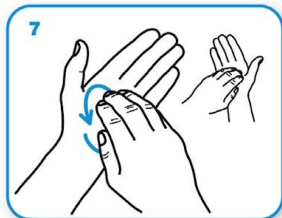

qualche amico  
in Italia.

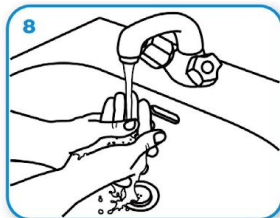

Saltano i  
convegni.

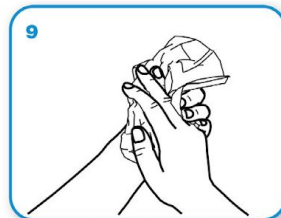

E poi le scuole  
chiuse

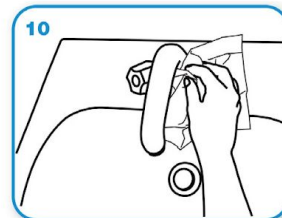

chi si compra  
mascherine

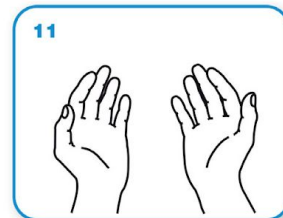

smart working  
che non va ...

Pensando  
tutto questo

a mia insaputa  
sono passati

**VENTI  
SECONDI**
